Description

Start your gaming adventure with the Victus by HP 15 Gaming Laptop. The processor and graphics are designed in a small but mighty package so you can keep up with the biggest games and the best players. Power up and feel your game elevate to where you want to be.

8-CORE INTEL® CORE™ PROCESSOR: 12th Gen Intel® Core™ processor distributes performance where you need it the most — saving you time and increasing your ability to do the things you actually want.

NVIDIA® GEFORCE™ RTX™ 3050: Step up to the power of 2nd generation RTX powered by the award-winning NVIDIA Ampere architecture. AI and new system optimizations create more efficient gaming laptops in new and innovative form factors.

MICRO-EDGE 144HZ FULL HD DISPLAY: Reduce frustrating lag and image ghosting with a display that combines a 144Hz refresh rate and 1080p Full High Definition resolution for smooth, crisp gameplay. No matter where you stand, this screen delivers clear, vivid images with 178° wide-viewing angles, so everyone can get a great view. By squeezing a larger screen into a smaller frame, this ultra-thin, barely visible bezel revolutionizes your display's appearance with a beautifully efficient design.

THE MOST REFINED DESIGN IN THE GAME: From its iconic color to its spritely designed 15 inch package, this picture of sophistication is a fashion statement rarely realized in the gaming space.

LET'S GO: The updated thermal design keeps everything chill from max power gaming to after-hours streaming. Open up your game with a full-size, backlit keyboard with the OMEN Gaming Hub key and a much bigger touchpad. The HD Camera features Temporal Noise Reduction for that crisp clarity on your streams or calls.

OMEN GAMING HUB: Your one place for everything to make your gaming experience better. From software enhancements to hardware control, and live services, OMEN Gaming Hub elevates play in an easy and simple way.

GET A FRESH PERSPECTIVE WITH WINDOWS 11: From a rejuvenated Start menu, to new ways to connect to your favorite people, news, games, and content—Windows 11 is the place to think, express, and create in a natural way.

HP FAST CHARGE: Go from 0 to 50% charge in approximately 45 minutes.

EFFORTLESSLY CONNECTED: Enjoy a smooth wireless experience with a Wi-Fi 6 (2x2) and Bluetooth® combo for streaming your favorite Twitch channel and setting up your rig with your favorite accessories.

HP WIDE VISION HD CAMERA WITH TEMPORAL NOISE REDUCTION AND DUAL ARRAY MICROPHONES: The 88°, wide-angle field of view lets you video chat with the entire family or group of friends in crystal clear detail.

TRULY POWERFUL AUDIO: With HP Dual Speakers, HP Audio Boost, and custom tuning by the experts at B&O, you can experience rich, authentic audio. Let the sound move you.

HP QUICKDROP: Wirelessly transfer photos, videos, documents and more between your PC and mobile device. Easily snap a photo to share, send addresses for directions on-the-go, and view texts on your PC's screen. With HP QuickDrop, file transfers are easy, fast and reliable.

PLANET POSITIVE: EPEAT® Silver registered, ENERGY STAR® certified, and contains sustainable, post-consumer recycled and ocean-bound plastics.

WARRANTY: 1-year limited hardware warranty. Additional information available at www.support.hp.com. 1-year limited technical support for software and initial setup (from date of purchase).

**Intel® Core™ i5**

The Intel® Core™ i5 processor delivers exceptional performance for home and business PC's - Create, edit, share 4K content, and enjoy immersive experiences.

**Built-In Microphone**

Comes with a microphone that is used for recording
