Overview

The Lenovo™ Legion 17-inch Reinforced Backpack II combines durability with convenience and style. This backpack is specially made for gamers: it has a very sturdy, contoured EVA front and a double layer of protection in the PC compartment. Well-designed storage pockets give you quick access to your gear in the heat of battle, while the padded and ventilated back with adjustable shoulder straps provides lasting comfort.

Most important data

- Accommodates laptops up to 17.3 inches, making it a fan of even professional gamers
- High-strength EVA front and waterproof PU lining to keep your gear safe
- Dedicated headset, keyboard and mouse compartments to protect expensive peripherals
