The HP ProBook 450 15-inch laptop offers growing businesses business performance, multi-layered endpoint security and durability in an easily upgradeable design. With the latest Intel® processor[2] and long battery life, this feature-rich PC is well-equipped for long-lasting productivity and hybrid working.

Optimized for hybrid working

Look your best wherever you work, with extensive camera features and light corrections.[3]

Tested for durability

It passes 19 MIL-STD tests[6] for durability and is easy to maintain, so you get the most out of your IT investment.

Performance for growing companies

Tackle demanding tasks with the latest Intel® CPU[2,4], long battery life, and upgradeable memory and storage.

Protected by HP Wolf Security

HP Wolf Pro Security Edition PCs combine HP Sure Click Pro with HP Sure Sense Pro to provide deeper protection than standard versions through a 1-year or 3-year user license with HP Support.[5] This provides a powerful, single solution that does not require an IT-managed PC environment.

Prices and Promotions

Prices, promotions, specifications, availability and terms of offers are subject to change without notice. Discounts are based on the original introductory price. Discount codes are not valid on already discounted products. Bundle discounts are based on the current retail price of the individual products in the bundle. Despite our best efforts, in a small number of cases an incorrect price may have been quoted or typographical or photographic errors may occur. When you place an order, the correct prices and offers will be validated.

Microsoft Windows

Not all features are available in all editions or versions of Windows. A hardware upgrade and/or separately purchased hardware, drivers and/or software may be required to take full advantage of Windows functionality. Visit <https://www.microsoft.com>

General terms and conditions

General terms and conditions for next day delivery. The following conditions apply to this offer: the order and payment must be made before 7:30 PM (Monday to Friday, excluding public holidays and weekends). All products in the order are in stock and available for delivery. Payment of the full order amount has been received by HP. Delivery is only to addresses within the Netherlands and depends on weather conditions. Applies to the product groups laptops, desktops and accessories. Delivery of orders weighing less than 1 kg may take up to 5 working days. Read more here.

Consult the product specifications under Datasheets/Documents. If the product complies with EN 55032 Class A, it may cause interference to TV/radio reception when used in residential areas (under unfavorable conditions).

HP has fulfilled its obligations under the private copying levy towards Stichting de Thuiskopie.
