The Victus by HP Laptop is made for peak PC gaming. This sleek machine touts a next generation AMD processor[1] and modern graphics card. This laptop also has new optimization features to push performance even further[2], updated thermals, and an upgraded keyboard.

The best and latest performance components

Play at your best with a powerful AMD processor[1], a modern graphics card, and plenty of memory.

Optimization features for even better performance

Victus makes better performance easier with features that automatically optimize your gaming while you play.

Express yourself with an upgraded keyboard

For the first time in a Victus, you can upgrade to a backlit keyboard and express your best gaming self.

Sustainability in action

EPEAT® Gold[3] and ENERGY STAR® certified.
